Persons who at middle age should feel the full strength and energy of youth are often rheumatic, nervous, irritable and inclined to worry too much. There are spells of utter weakness, life is made miserable by constant lameness and dull backache and sleep is disturbed with pain and distressing urinary disorders.

You have tried to shake this off and wonder why you can't. Probably you have missed the hidden cause sick kidneys. Prompt treatment with Doan's Kidney Pills would right things quickly.

An active life weakens the kidneys and something must be done to stimulate the little filters of the blood—to keep them working as they should.

Every day of your life the blood gathers up a dangerous amount of uric poison, and if the kidneys do not pass it all off with the urine, there is bound to be serious trouble. Uric acid weights the blood, clogs the circulation, weakens the heart, dulls the brain, irritates the nerves and forms little jagged crystals in the muscles and joints that cause acute pain when these parts are moved.

These pains you know as sciatica, rheumatism, lumbago, gout or neuralgia, according to where they occur. Uric acid grains are seen as needles in the urine. Passages become irregular, scanty and painful. Night calls annoy and weary you. Bloating occurs in time, agonizing attacks of gravel, and there is danger of running into dropsy, stone in the kidney, diabetes or Bright's disease.

Don't allow the kidney trouble to get worse. Start using Doan's Kidney Pills, which have cured thousands and must surely help you.

Phoenix proof:

Mrs. G. Hurst, 501 W. Washington street, Phoenix, Ariz., says: "I had a constant, dull ache in the small of my back for a long time and while it was not very severe, it was sufficient to make me feel miserable. I often went to bed with a backache and got up in the morning with it still clinging to me. There was also a weakness across my loins that made it difficult for me to stoop, and if I did bend over I became very dizzy. The in passage, causing much annoyance and I was bothered by a swelling in my limbs, in fact my whole system was run down. About a year ago I procured a supply of Doan's Kidney Pills at the Adams Pharmacy and the use of two bottles disposed of the backache and all fault with my kidneys. I cannot say too much in praise of Doan's Kidney Pills."
